Wednesday, October 27, 2021 at 7:41:00 AM Eastern Daylight Time

Hi All,

As a follow-up to our report last year entitled Bankrolling Bigotry, we've recently released (in collaboration once again with ISD) a follow-up report following a similar rubric but focused on payment facilitators that route funds to extremist groups in Germany. See attached - we are always keen to hear questions, comments, reactions, etc., from this esteemed group.

Thanks!

Danny
