Hi Pete,

It's good to e-meet you, and thanks, Madalina, for putting us in touch. I'm the acting deputy team lead for the OTI Ethiopia team in DC.

We'd definitely welcome a conversation. Please let me know what your availability looks like over the next few days and perhaps a bit more background on what you'd like to discuss, and I'll work out a time to meet with my colleagues here.

Thanks - look forward to speaking with you,
Akemi

Pete (who I have known for many years) works with Twitter and mentioned that the Twitter Policy team is interested in talking to USAID (and OTI) about dinsinfo/misinfo/hate speech in Ethiopia.
