Hi all (and nice to be in touch again Vera!)

My apologies for being slow to respond to these messages.
I'm adding my colleagues @Josh Blumenfeld, @Ria Strasser-Galvis, and @Alexandria Walden for their visibility.

We'd of course be happy to walk you through this effort. I'll be out of the office next week but I'm hopeful others on this thread can help move things forward in my absence; and look forward to conversing with you upon my return!

Best,

Clement
